Is the Game That Watson is Going After.

SPANISH COAST CITIES

Not Down on the Program For Bombardment,

TWIXT NOW AND AUTUMN

War May Lag But Uncle Sam Will Be Busy Enough With Administrative Problems.

Washington, July 22-A significant stateto the plans of the administration with in Washington, in order to provide for the he was coming. reference to future war overations. In speedy transportation to Spain of the substance the statement was as follows: troops surrendered at Santiago.

"Commodore Watson, in proceeding to Porto Rican expedition is got under way, ish coast. No such idea as bombardment posed before the surrender of the city. may be other incidental purposes, the the surrnder of Santiago, and without the main mission of Watson is to take care knowledge of General Miles. of Camara's fleet. The movement of this fleet and the fears and apprehensions going steam tugs and lighters, equipped caused by reports concerning it are to be with derricks, pile drivers, blacksmithalopped for all time. The ships under ing apparatus, heavy timber and other nara will be located by Watson and finally met and engaged. The talk occaionally indulged in as to the Canary islands is utterly without foundation.

This government has no plan to take these islands and does not want them. Despite popular expectation that Porto Rico operations will be followed imme- the transports Massachusetts, Roumania be said that Havana will not be attacked have a carrying capacity of 5,000 troops while yellow fever conditions exist. This

"It would be the hight of national folly who will comprise Generi Haines' fever pest holes. Consequently, it will be autumn. Shafter will hold his own in the eastern strip now surrendered, and may gradually push his way over some other districts, and if there should be any par-ticular need of immediate aggressive action at any point will move against it, but Havana will be left until yellow fever

"Meantime, in the next two months there will be enough to keep this government busy. We shall have to cope with the most serious problem yet, of providing for the government and the future of the lands involved in this war. The haul- tance, at the war and navy departments ing down of the Spanish flag and the hoist today.

WICHITA, KANSAS: SATURDAY MORNING, JULY 23, 1898.

"I amabsolutely convinced, and I can state with authority, that the objects of the American forces are identical with hose proclaimed by us. The intention on our part was published in all our docu ments and more especially in the procla mation of President Masso dated April 24, 1898, which was passed in accordance with a resolution passed by our council govenment. This proclamation pledges the penfact security of kife and property of all esidents of Cuba, whatever may be their nationality and political faith. The proclamation of President McKinley, conerming the establishment of an American military government, expresses these identical objects. I have carefully examined the document, and in view of my convictions as to the object of the American president comprehend that his procamatian fairly states the position which the United States will assume in Cuba and I beleve t to be very reasonable and practicable. As the proclamation states that all the political relations of the in- ing visit except through the newspapers. habitants in Cuba have ceased, it follows | Consequently, when he reached the railthat all functionaries and institutions representing Spain have also passed away. The president has been very careful to state that the native constabulary and judges shall continue exercising their functions, but it is only natural to suppose that when the military governor finds those to have been implanted by the pality, he will proceed to substitute others in their stead.

president's proclamation the only authority rests with the military governor and his aides and the municipal authorities of the locality. I have with other lawyers been engaged in formulating those laws, with certain slight changes neces sary to the new regime." There weer present at this conference

PUBLIC PAYS HONOR DUE

He is Anxious to Save Cervera's Wrecked Ships.

Wahington, July 22.-The most agreeable event of the day was the arrival at the navy department of Lieutenant Hobson, the haro of the Merriman. The offidials were not informed of his approach way station here at 2:30 o'clock this afternoon there was no official there to meet him and his reception was truly democratic. He succeeded in escaping observation as he passed through the train shed, coas and umbrella in hated, and followed by a porter proudly carry-Spanish crown and not by the munici- ing his bagange, but before he emerged from the station some one spied him and in a moment the -tation resounded with vociferous cheering. The cry of "Hosson!" "Hobson!" rung out and the crowd crowded about him shaking his hands and pushing him about until he was reccued by the police and escorted to his carriage. He stopped long enough to sunounce that all the man was formed the rew of the Merrimac were safe and in the best of realth and that after he had made his report to the many department he exected to resurn immediately to New York, The officer was at once driven to the Army and Navy club, and after brushing himself up he drove over to the navy department. This time he carried with him under his arm a large official envelope which bore in the corner the in-

scription "North Atlantic Squadron." As he approached the office of the secretary of the navy there ensued another demonstration. A large crowd had gath- to read. ered about the doorway and the hearty welcome it gave the young officer brought

blushes to his cheek. Secretary Long came out of his private hands, said with sincerity: "Lieutenant, I am very glad, very glad to see you."

Then he drew him into his office, where ant Secretary Allen and was greeted by Captain Crowninshield, Captain Bradford and Pension Commissioner Evans, who happened to drop in. He spent half an hour in conference with the secretary and then returned to the club for rest. Secretary Long stated that Hobson did not bring the long expected report from Admiral Sampson and his brother officers on the destruction of Cervera's fleet. The exact purpose of his visit was explained by the following order , under which Lieutenant Hobson had come to the United

JUNTA HOPES TO PACIFY

Discordant Elements Before the Worst Come.

AND IT IS NOW ADMITTED

That These Touchy Children May Not Have Been Humored as Much as Would Be Politic,

Washington, July 21 -The war department has not been informed that General Shafter's Cuban affles have quit the American lines for the reasons sent out in the printed letter by General Garcia, bur it is scarcely doubted that such is the of avoiding such a measure is evidenced

The letter written by General Garcia based upon a wrong conception of the First Lieutenant J. J. O'Rourke has purposes of the United States. It was reported, a member of the cabinet said. ing it pleasant for the soldler boys by in the ceremonies attending the raising of the American flag over Santiago, it was a mistake. Everything reasonable, he said, should be done to win and keep the triendship of the insurgent Cubans, and they should be made to know that the only purpose of the United States in waging war against Spain was to secure oppression of Spanish rule and a stable and satisfactory government established by the people themselven. Of course, it was added, it is not the intention of this agent and requests that he may again he allowed to take up arms for his country, and then formally turn the sland over ular class or faction. This government on the contrary, it was well understood that a stable government for and by all of the people of Cuba had been the on purpose and end sought to be attained The details incident to the establishment of such a government, it was said, have never been discussed by the cubinet at El Reno, O. T., July 22.—(Special).— any great length, but there could be so Amos Ewing, coal oil inspector, came difference of opinion as to the general Amos I show were to tive and always to the men

that there was no foundation for reports tions. Up to the present time not a word hus been heard from General Shafter conserning the letter General Garcia is said to have written him, and, pending of cuss the reported clash between the Cu-
